## Experience

---

### ❖ Web Designer & Developer :2021-now

Introducing responsive design practices, with a focus on performance and easy maintenance. Also responsible for creating the visual identity for some products and the company at the time.

### ❖ Educator :2019-21

I was a graphic design teacher in NIDM. I learned a lot from it. Everything I searched for to teach my students and it is also helped me. Is that the "best" thing? I'm not sure, but it sure helps to keep one grounded. Which helps me to become better.

### ❖ Data Transcription & Data Editing :2017-19

I worked as a data encoder and must be a focus on the details. I learned more in MS Word and Excel. I learned also to manage the pressure and my typing skill is enhanced from this kind of work.
